- Demonstrate understanding of, and commitment of professional behaviour.
- Demonstrate awareness of the necessity of belonging to the professional organizations.

WELCOME TO THE SCHOOL OF NURSING:

"Nursing encompasses an art, a humanistic orientation, a feeling for the value of the individual, and an intuitive sense of ethics, and of the appropriateness of action taken."

- Myrtle Aydelotte

If you want to be the most effective practitioner you can be, Hi-Tech School of Nursing's outstanding contemporary nursing education program will help you get there. Our College Nursing Program, a Diploma in general in Nursing, can be completed in approximately three & a half years. The curriculum is based on the perspective of health promotion and caring. You are active participants in your own learning and individual interests are recognized and encouraged. This program is approved by the Government of India and Indian Nursing Council. Our faculty and support staff will prepare you to embark on a challenging and rewarding career as effective health care practitioners able to meet the diverse health care needs of clients in our changing health care system. You'll learn to become sensitive to clients' experiences with health and healing; how to assist clients to maintain their health and prevent illness; and how to enable clients in the restoration of their health. You'll become knowledgeable about the role of the professional nurse and be able to promote the profession of nursing.

FACILITIES:

- Hostel Accommodation
- Uniform
- Museum
- Laboratory
- Live Case Studies
- Loan Facilities

SELECTION PROCEDURE:

- A. Selection shall be held on the basis of merit judged according to aggregate marks in +2 Science Examination conducted by CHSE or Equivalent Council / Board. Extra optional marks are not to be considered in the merit.
- B. In case of candidates having equal marks in aggregate, the candidate with higher marks secured in the biology in the +2 Science examination shall be taken.
- C. All selected candidates shall be communicated by the registered post.
- D. No extension time or period shall be allowed to any candidates for admission under any circumstances.

(Please refer Appendix I, II & III for Application Form and other details)

The curriculum design is really good. We teach our student the right things - what is needed in today's competitive market and the ins and outs of the field. And we also give them enough practical exposure so they'd be ready for the workplace."

**Principal
Hi-Tech School of Nursing**

Nursing is an art:
and if it is to be made an art,
It requires an exclusive devotion
as hard a preparation,
as any painter's or sculptor's work;
for what is the having to do with
dead canvas or dead marble,
compared with having to do
with the living body,
the temple of God's spirit?
It is one of the Fine Arts:
I had almost said,
the finest of Fine Arts.

- Florence Nightingale
